WHY HAVE A FRIENDS & FAMILY DAY?

Friends and Family Day at Westvue is this Sunday, May 15. It is a great opportunity for us to invite those who are dear to you to come and spend the day with us in the house of the Lord. In addition, it is an opportunity for us to invite those in this community to attend as our guests.

I like the concept of Friends and Family Day because it gives me motivation to move outside my comfort zone. Perhaps you are like me and feel you should be more involved in reaching out to those who may or may not be Christians. Friends and Family Day provides us with that opportunity. Remember there are those living in this area who will attend this Sunday if only you will invite them to do so.

Finally, Friends and Family Day gives us an opportunity for a victory. Imagine what it will do for us as a congregation and individual members of it to see our church building filled with people. Thus let us all look forward to a great day of worship and fellowship this Sunday, May 15.
